

Grower GM Canola Declaration Form – Harvest 2022/2023

This form is to be completed by the supplier/grower and presented when each **individual** load is delivered to McNaughts Grain Berrigan or McNaughts Grain Warmatta. Please show declaration at sample stand, then provide the declaration to the weighbridge staff.

If no declaration is received the truck will not be unloaded. This declaration must be signed by the grower or authorised representative.

A sample is taken from the truck and will be tested as per relevant receival standards; (Test Weight, Moisture, Admixture and Oil). A separate sample will be kept from each load delivered as per McNaughts procedures. This sample can be used for variety testing against known GM canola varieties.

Grower Information

Grower Name	
Grower NGR	
Truck Registration	

Chemical Usage Declaration

I declare that all pre- and post-harvest chemicals applied to this crop, or resultant seed, have been used in accordance with the manufacturer's instructions, including adherence to application rates and withholding periods:
