

Grower Malt Barley Declaration Form – Harvest 2022/2023

This form is to be signed by the supplier/grower **per individual load** of MALT grade barley delivered to McNaughts Berrigan.

A sample will be taken from the truck and will be tested as per relevant receival standards; (Test Weight, Moisture, Screenings, Retention and Protein). A separate sample will be kept from each load delivered as per McNaughts procedures. This sample can be used for both variety testing against known MALT Barley varieties and chemical residue found on the grain.

Chemical Usage Declaration

I declare that all pre- and post-harvest chemicals applied to this crop, or resultant seed, have been used in accordance with the manufacturer's instructions, including adherence to application rates and withholding periods.

List all chemicals applied to the crop within one month of harvest		
List all chemicals applied to the seed after harvest		

In crop Glyphosate treatment in Barley (Malt & Feed) - please circle: YES NO
